MEETING I.Q.A.C

Today on ..... 17/04/2023 college IQAC meeting conducted to discuss various issues and future plans , strategy to be implemented in the coming session.

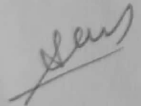

Agenda of the meeting

1. Admission process
2. Teaching learning process
3. Counselling for student and faculty
4. Stress releasing solutions
5. Teaching material availability to students

After long discuss it was proposed to adopt online process for admission. Because of covid-19 pandemic it not possible to call student physically admission and prospectus to be uploaded on college website.

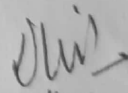

It is decided to make teaching process online. All teachers to be advice to adopt various online modes for teaching and use various platforms. Safety of both - students and faculties is the prime issue.

It is also proposed to have counselling session for students to realize stress also decided to make study materials according to the req. of students online. For this it is also proposed to upload PDFs, videos acc. to syllabus on the college website.
